

JEROME VILLAGE

RESIDENT FEES

Jerome Village Community Authority

Community Development Charge

Purpose: For the funding, ownership and maintenance of certain infrastructure improvements (such as roads, streets, sanitary sewers and waterlines) and certain amenities (such as parks, open spaces and community facilities).

Fee: Rate of 9.5 mils - \$332.50 per \$100,000 of market value (billed semi-annually)

Example:

- A** - Property Value: \$350,000
- B** - Assessed Value: $\$350,000 \times .35 = \$122,500$
- C** - Annual Millage Charge: $\$122,500 \times .0095 = \$1,163.75$
- D** - Semi-Annual Millage Charge: $\$1,163.75 / 2 = \581.88

A	B	C	D
Property Value	Assessed Value	Annual Millage Charge	Semi-Annual Millage Charge
\$350,000	\$122,500	\$1,164	\$582

Community Center Charge

Purpose: To cover the operating expenses of the community center including the building, grounds, fitness center and pool.

Fee: Based solely upon the operating budget of the community center. The charge can be increased annually - not to exceed change in CPI. The 2017 fee is \$370.15.

Income Charge

Purpose: This income based charge may only be levied by the Board in accordance with the Community Authority Declaration. This charge is currently **not** in effect, and can only be levied after all appointed members of the CDA Board are replaced with board members elected by the community.

Fee: May be levied at a maximum rate of 2% based on the income of residents and businesses located within the boundaries of the Jerome Village Community Authority. While the maximum rate is a 2% charge, the CDA board can only levy 1%, with the second 1% being implemented by a public election.
